**Canoe Rack Application**

The assignment of canoe racks for the season will take place no later than Memorial Day weekend. All Mallards' Landing Association rules, as well as the attached "Docks and Moorings - Rules and Regulations apply.

All members wishing to use the canoe racks must sign up and request one at the time of sending in your annual dues. The fee is \$15.00 for each canoe, dinghy or kayak. We have locations on the North (near boat ramp) and South side of the beach. Please state if you have a preference and we will try our very best to accommodate you. If we receive more requests than spots available we will have a wait list to fill spaces. If there are additional spaces available the next person on the wait list will be contacted. **If you do not currently have a spot DO NOT send money with the application.**

Multiple items may be stored on the same space provided they are stored in a safe and secure manor and do not interfere with adjacent sites.

Please submit this application with check in the amount of \$15.00 by April 15<sup>th</sup> to:
