Dock or Mooring Application

The assignment of docks and moorings for the season will take place by Memorial Day weekend. All Mallards' Landing Association rules, as well as the attached "Docks and Moorings – Rules and Regulations" apply.

In order to be assigned a dock or mooring for the season each applicant must comply with the following no later than April 15th:

- Only members (or members' spouse) may submit an application – no more than one per member;
- Only members in good standing with annual dues paid for current year are eligible for assignment of a dock or mooring;
- This application must be completed and submitted with applicable fee along with two copies of a valid/current NH boat registration and submitted no later than April 15th.

If paperwork is not received by April 15 you will forfeit your site

- We will assign spaces according to prior year, but changes may be made upon availability.
- Boats longer than 20' will not be allowed on Docks, must apply for a Mooring.
- Wait List (if you did not have one prior year): If interested in being on the Dock or Mooring wait list please complete this application and check off which list you would prefer to be on.
